**Cobble Hills Golf and Ski Club
Tournament Information Package**

Thank you for the opportunity to provide the following Tournament Information Package.

Framed by mature White Pines and uniquely framed by the existing Alpine Ski Operation, Cobble Hills Golf Club is a challenging par 70 Golf course (par 71 from the forward tees) located on a tranquil setting just minutes east of London. The Golf Course was designed by David Gurd, and measures 5785 yards from the Championship tees and down to 5050 yards from the Front tees. The Course offers a wide variety of holes ranging from short and tricky par 3's to long par 5's, not reachable by even the longest of hitters. The combination of design and meticulous manicuring makes for an experience that will be memorable and enjoyable for Players of all abilities.

Cobble Hills gladly offers many extra services to our Golf Tournaments such as an expanded Menu, a computerized scoring system and a complimentary Bag Drop Service for Shot Gun Tournaments. We strive to provide attentive service to our Golf Tournaments ensuring that all of the details that will make your Tournament successful are executed to the highest level of accuracy. The best way to describe Cobble Hills Golf and Ski Club as a Tournament Venue would be a Public Golf Course that provides a Private Club level of service with a warm and friendly atmosphere.

Cobble Hills has also made recent changes to its Team of Managers. Our Owner, David Gurd has hired me as Event Coordinator and Pro Shop Manager. My main responsibilities are to book, organize and oversee all group functions as well as be the Team Leader in the Pro Shop. I have been in the Golf Industry for 7 years in many different roles. My roles have included working in a Pro Shop, a Teaching Professional, a Touring Professional and a Food and Beverage Manager. With my wide range of experience I am able to guide our Team with emphasis toward the highest level of customer service and attention to detail for a truly memorable experience for your Company or Family outing.

If I can be of any assistance, please do not hesitate to contact me at any time.

Sincerely,

Justin Sherriff
